Mandarin

EXPERIENCES

Spark • UI Design Intern

Jul. 2020 – Present | Remote

- Designed user interfaces and created a design system for a date-planning mobile app.

Bloom • Product Design Intern

Jun. 2020 – Present | Remote

- Designed and prototyped core features for Bloom, a web platform that connects members in a community.

Cornell Design & Tech Initiative • Product Designer

Feb. 2020 – Present | Ithaca, NY

- Designed for CoursePlan, a four-year planning web app for Cornell undergraduates to track their courses and graduation requirements.
- Worked with designers, product managers, and developers.

Medium Design Collective • UX Designer

Feb. 2020 – Present | Ithaca, NY

- Improved the content and the design of the responsive website to promote interdisciplinary design and engagement in design dialogue.

PROJECTS

Inquiry • Product Designer

Jan. 2020 - Present

- Designed and prototyped a web app that allows college students to ask academic-related questions and get answers from their peers.
- Conducted user research and testing.

Spotify UX Case Study • Product Designer

Oct. 2019 - Dec. 2019

- Redesigned Spotify to better engage the users through conversation about music.

A-LIST • Product Designer

Dec. 2019

- Designed the user interface of an iOS app that consolidates celebrities' media.
